

Pair of Slide Guide Supports

Product Description

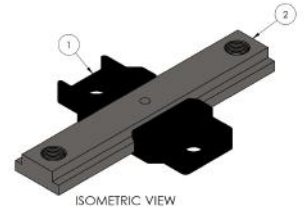

Designed to allow free axial movement of pipe while restricting lateral or vertical movement. These are purposely designed for the challenging application such as primary guides for expansion joints.

These can be floor, wall or ceiling mounted.

Design Features

- 4 Fixings Holes for M12
- M16 Connections to pipe clips
- Electro Painted & Zinc Nickel Finish
- Low Friction Slide Insert
- Supplied with Clips **but not Rods**
